Mike Stud

So tell me where the vibe is
Baby, I'ma find it
I'm ten feet from the bottom
Lately I been slidin'
She tell me she go higher
When I be around her
I'm ten feet from the bottom
Baby, let's go higher

So tell me where the vibe is
Baby, I'ma find it
I'm ten feet from the bottom
Lately I been slidin'
She tell me she go higher
When I be around her
I'm ten feet from the bottom
Baby, let's go higher

Spinnin', makin' eyes for the camera
Drink so much, I can't even stand now
Drink so much, I can't even stand now, yeah

Wakin' up like, wakin' up like, woo
Wakin' up like, wakin' up like, woo
Wakin' up like, wakin' up like

Spinnin', makin' eyes for the camera
Drink so much, I can't even stand now
Wakin' up like, wakin' up like, woo, amen

Wakin' up like, wakin' up like, woo
Wakin' up like, wakin' up like, woo
Wakin' up like, wakin' up like

Spinnin', makin' eyes for the camera

So tell me that you ridin' for me, babe
(Wakin' up like, wakin' up like, woo, amen)
