

lost my boat

Mike Stud

I woke up on a fucking wave
I lost my boat
I clear my throat got shit to say
You know I won't
You know I won't hold back my words
For no one's sake
It ain't about who got here first
It's about who stays
Hold up wait
I found my wave

I just took another one
And no one's gonna blame me
Only thing I gotta do tomorrow is moi
I do what the fuck I want
I don't call that a job
Only thing I gotta do tomorrow is

Me myself and moi
Least I know what I want
I know what I want
Told her hold my drink
Told her hold my beer
Big clouds over my head
Least my head is clear
Please don't call my phone
I been on my own
Gotta learn how to be by yourself
Or you gonna be alone
That's how the story goes
I read that once or twice
I told my lawyer cross the t's
And dot them fucking i's
I woke up on wave
Think I lost my boat
I don't know where I am
I don't know if I care
I don't know when I will
But I know what I want
Good weed in my blunt
She said I smell like Chanel

I just took another one
And no one's gonna blame me
Only thing I gotta do tomorrow is moi
I do what the fuck I want
I don't call that a job
Only thing I gotta do tomorrow is

I just took another one
And no one's gonna blame me
Only thing I gotta do tomorrow is moi
I do what the fuck I want
I don't call that a job

I woke up on a fucking wave
I love my boat

I clear my throat got shit to say
You know I won't
You know I won't hold back my words
For no one's sake
It ain't about who got here first
It's about who stays
Ok wait I found my wave
I love my boat
I clear my throat got shit to say
You know I won't
You know I won't hold back my words
For no one's sake
It ain't about who got here first
It's about who stays
And I'm staying babe
