It goes on and on, goes on and on, yeah 'Till the early morning It goes on and on 'till the crack of dawn Don't stop the party We could do this all night long Got girls in the living room getting it on Do this all night long Got girls in the living room getting it on Oh yeah, oh yeah, oh yeah, getting it on I said "ooh, girl I like that" We should take it right back for a nightcap I'm tryna get you to my house yeah, on the couch yeah Know what I'm about yeah, girl I'm out here yeah Got these girls all on me Blowing up my phone cause I got that bomb D Round one, round two, maybe round three Kill that pussy, bring it back like a zombie I'm down for anything Hard day, never play like I'm second string And it go on and on and on and on And don't stop 'till the morning Girl, we going in - let's go

Bad bitches everywhere I go
She ain't really into girls, but you never know
Let me get a second [?], get the mood right
Whisper in my ear girl, tell me: what do you like?
So go and work it like an athlete
Twerk that, run it back like a track meet
I keep it real, you keep it sexy
Word to Denzel
I got game, I need an ESPY, get at me
I'm down for anything
Hard day, never play like I'm second string
And it go on and on and on
And don't stop 'till the morning
Girl, we going in - let's go

There's way too many bitches
Way too many, way too many bitches in here
