

## reasons why

Mike Stud

You know these things they kind of happen  
Guess that's why I'm asking  
Know these things, they kind of happen to me (Yeah, oh)

Reasons why I'm here  
Reasons why  
And I'm there (Yeah)

'Cause got so much distance to cover  
Have a toast cause your bread on butter  
All your sisters gon' get us in trouble  
Said goodbye to my demons, fuck 'em  
Universe knows I stole my hand  
Low hanging fruit, don't belong in my hand  
Lord knows the truth and lord knows I'm him  
Lord knows the truth, the lord knows I'm him (Uh)

Don't know why  
Don't know why  
Don't know why (Yeah)  
Don't know why  
Don't know why  
Don't know why  
That's why I'm here

Reasons why I'm here  
Reasons why  
Reasons why I'm here (Don't know why)  
Reasons why I'm here  
Reason why I care  
Reasons why (Yeah)

So call me when you're home  
You don't need more time alone  
I know you been busy running around (Ayy, yeah)  
So, don't call me anymore  
Unless it's from the other room  
I know you and me, we need it right now (Yeah, uh)

Reasons why I'm here  
Reasons why (Yeah, uh)  
Reasons why I care  
Reasons why I'm here  
Reasons why  
Reasons why  
Don't know why  
Don't know why  
Don't know why

You know these things, they kind of happen  
Guess that's why I'm asking  
Know these things, they kinda happen to me (Yeah, oh, yeah)

That's why you fell in love  
That's why you see me getting dug, 'cause it's outta love  
That's why I never fuck around, find me in the club  
In the face of love, in the name of love

In the name of love, I had to see, I had enough  
And it fucked me up, seeing how I really was (Really was)  
And it fucked me up, seeing who I really am (Really am)  
And all the reasons I'm here

Reasons why I'm here  
(Don't know why, don't know why)  
(All the reasons I'm here)  
Reasons why, yeah  
(Don't know why)  
(Yeah, uh)  
Reasons why I care  
(Don't know why, don't know why)  
(Baby, all the reasons I'm here)  
Reasons why (Don't know why)
