

still works

Mike Stud

But it still hurts
And it still hurts

Yeah
Yeah I thought it broke, but it still works
Yeah I thought my heart was broken, but it still work
You've been fucking playing games, like it's still work
You been fucking all these lames, but I'm still first

Yeah
I've been sliding, like a fucking violin again
Gotta at the at the crib, you're invited again (Yeah)
On an island, I'm on an island again
I got waves all around me like an island again

But it still works
Yeah I thought my heart was broken, but it still work
You've been fucking playing games, like it's still work
You been fucking all these lames, but I'm still first

Yeah I've fell in love with life
Got big love for you though (Yeah, got big love)
Yeah I've fell in love with life
Got big love for you though (Yeah, got big love)
'Cause I got big love for you, got big love for you
Gotta run it up, but I got love for you though
It ain't hard to tell I've been having more fun alone
Yeah, big love

Yeah I thought it broke, but it still works
Yeah I thought my heart was broken, but it still work
You've been fucking playing games, like it's still work
You been fucking all these lames, but I'm still first

Yeah I've fell in love with life
Got big love for you
Yeah I've fell in love with life
Got big love
This for all those early mornings
Got big love
This for all those late nights
Got big love
Yeah I've fell in love with life
Got big love for you though (Yeah, got big love)
Yeah I've fell in love with life
Got big love for you though (Yeah, got big love)

Yeah, thought it broke
Yeah, thought it broke
Yeah, I thought it broke, but it still works
Yeah I thought my heart was broken, but it still work
You've been fucking playing games, like it's still work
You been fucking all these lames, but I'm still first

Yeah
Big love for you
Got big love for you

Gotta run it up, but I got love for you though
It ain't hard to tell I've been having more fun alone (Yeah)
