Mike Stud

I don't really see no competition  
I don't talk to people that don't listen (Yeah)  
One day I woke up and it was different (Ooh)  
Somethin' sounded good 'bout goin' missin' (Yeah)  
Sometimes sayin' nothing is the best thing (Yeah)  
Don't let no one take you out your essence (Yeah)  
Go and live your life and make new lessons  
And got them M's, but who's countin'? (And I'm bossed up)

And a couple L's, but who's countin'?  
Bitch, you know I gotta learn my lesson (I'm bossed up)  
I can't let em get me out my essence (And you bossed up)  
And got them M's, but who's countin'? (And I'm bossed up)  
Didn't know your backyard was a mountain (Yeah)  
Didn't know you flowin' like a fountain (Yeah)  
Didn't know you ran it up a mountain (And you bossed up)  
And got them M's, but who's countin'? (And I'm bossed up)

Said that I would do it, so I did (And I did)  
Said that I would do it, so I did (I did)  
Know it wasn't perfect, but I left (I did)  
Ran it up a mountain to the tip (I did)  
Woke up on top morning on the ledge (Yeah)  
Woke up on top mountain (Yeah)
