Do a snow angel, but do it in the money

Copped the new Ferrari like a Matchbox toy
Got her toes done, now she like to let her legs point
50k just to get the girl moist
I think the Givenchy look better on me
Shawty went back black, she was a blondie
She say shopping sprees is her hobby
If I hit that, dinner on me

I came in the game, and then the rest was history

If I ain't on the court, then I ain't going back and forth (What)
And I feel like Jokic, don't even try and sell me short
Why they put it on the net? I told them put it on the floor (Huh)
Thank you to my fans in the stands (Huh, Huh)
Let me see your hands, see you dance (Huh, Huh)
I feel like the man
