

It Takes Two

Mike Will Made-It

[Intro: Lil Yachty]
This ain't your regular party
This ain't your regular, no, no
Ear Drummers!
This ain't your regular party
This ain't your regular, no
Mike WiLL Made It
Hit it!

[Chorus: Carly Rae Jepsen]
It takes two to make a thing go right
It takes two to make it outta sight
It takes two to make a thing go right
It takes two to make it outta sight

[Verse 1: Lil Yachty]
I wanna rock right now
I'm Lil Yachty, now I'm down if you're down
I'm not the most lyrical kid known
But I'm known to keep the party goin'
'Cause my team's the liveliest, bright as a fly is
King of the teens, I speak to all ages
We in sync while goin' through all phases
Positivity is what made us famous, well...
So much endurance I shoulda ran track
Song so good, promise it'll get a plaque
'Cause it takes two to carry all the big things
It takes two to end up with a shiny ring
'Cause it takes two to end up with the finer things
If you rush through the film, you might miss the better scenes

[Chorus: Carly Rae Jepsen & Lil Yachty]
It takes two to make a thing go right
It takes two to make it outta sight
It takes two to make a thing go right
It takes two to make it outta sight
Hit it!

[Verse 2: Carly Rae Jepsen]
Now look what you made do
You and me, baby it takes two
Bringin' new moves to the old school
Time for the whole world to enjoy the view
We can go left, they can go right
Save me a dance for the end of the night
When I'm with you, it's a party
Don't care where we're goin'
The crew's on the floor and
I wanna keep goin'
So let's keep it goin'
Let's keep it goin'
And one and two and three and four

[Chorus: Carly Rae Jepsen & Lil Yachty]
It takes two to make a thing go right
It takes two to make it outta sight
It takes two to make a thing go right

It takes two to make it outta sight
Hit it!

[Verse 3: Lil Yachty]
Lil Boat!
It takes two to make a thing go right
When you're way too fly, team about to take flight
I don't know what you've been told
It takes two just like hot and cold
We go hand in hand like the sand and toes
It takes two just like silver and gold
Yeah it takes two like the dice been rolled
Team too clean, we the new dream team
We just wanna dance, we just wanna have fun
Slow down, let it rock until the sun come
Wasn't much to share but we all had some
'Cause it takes two comin' from where I come from

[Chorus: Carly Rae Jepsen]
It takes two to make a thing go right
It takes two to make it outta sight
It takes two to make a thing go right
It takes two to make it outta sight

[Interlude: Lil Yachty]
Aight now
Y'all know Mike WILL, you know
When I count to three I want you to get busy now
One, two, three, get loose now

[Outro: Carly Rae Jepsen]
It takes two, it takes two, it takes
It takes, it takes two
It takes, it takes two
It takes two, it takes two
It takes two, it takes two
It takes two to make a thing go right
It takes two to make a
It takes two to make a thing go right
It takes two
It takes, it takes two
It takes, it takes
It takes two
It takes two to make a thing go right
It takes two to make it outta sight
One and two and three and four
It takes two
