Turn back the time, I wanna feel that emotion
Rewind the night before our hearts, they got broken

That love we had was one of a kind
When music made us feel so alive
Let's dance like nineteen-seventy-five
Like nineteen-seventy-five
That love we had was one of a kind
When music made us feel so alive
Let's dance like nineteen-seventy-five
Like nineteen-seventy-five

-ty-five, -ty-five, -ty-five...
Like nineteen-seventy-five

Like nineteen-seventy-five
Like nineteen-seventy-five
-ty-five, -ty-five, -ty-five...
Like nineteen-seventy-five

That love we had was one of a kind
When music made us feel so alive
Let's dance like nineteen-seventy-five
Like nineteen-seventy-five
That love we had was one of a kind
When music made us feel so alive
Let's dance like nineteen-seventy-five
Like nineteen-seventy-five

-ty-five, -ty-five, -ty-five...
Like nineteen-seventy-five

Like nineteen-seventy-five
Like nineteen-seventy-five
-ty-five, -ty-five, -ty-five...
Like nineteen-seventy-five
