

Alone

Mike Williams

Am I in this for myself
Or for everybody else?
Guess these days it's harder to change
For me anyway
I've been lost for way too long
Grown so tired of acting strong
Not one day I've been on my own
But still I'm alone
Still I'm alone

Still I'm alone

Hours
On end
I've been worried that I'm not
Living up to what they want from me
I
Don't think they understand
That I'm fighting on my own
In a way they'll never know of me

Am I in this for myself
Or for everybody else?
Guess these days it's harder to change
For me anyway
I've been lost for way too long
Grown so tired of acting strong
Not one day I've been on my own
But still I'm alone
Still I'm alone

But still I'm alone
Still I'm alone

But still I'm alone
Still I'm alone

Still I'm alone
