

## Best Part Missing

Mike Williams

One day you promised to me that  
You'd stay forever till the end  
But honestly I can't stand the way  
You're playing games with me and my feelings  
I'm not sure if that's what I needed  
But it's cool 'cause we all make mistakes  
Yeah I was just hoping that you'd ever change your mind

I wouldn't have let you go  
If you would've let me know  
That you could've been my everything  
But you put love on hold  
I hope that it's not too late  
At least it is not for me  
Whatever it takes I'll pave the way  
For you to walk right home  
The best part I'm missing is you  
Yeah, you're the best part I'm missing  
You're the best part I'm missing

You're the best part I'm missing  
You're the best part I'm missing

I'm missing a piece of the puzzle  
This blind space, it leaves me no result  
I can't change the way I've been missing you

So I'm gonna pray to find a way again  
There's so much at stake but don't you hold it in  
I want to know what it feels like  
The time with you and I

I wouldn't have let you go  
If you would've let me know  
That you could've been my everything  
But you put love on hold  
I hope that it's not too late  
At least it is not for me  
Whatever it takes I'll pave the way  
For you to walk right home  
The best part I'm missing is you  
Yeah, you're the best part I'm missing  
You're the best part I'm missing

You're the best part I'm missing  
You're the best part I'm missing
