

100 Geecs

MIKE

(Maximum value)

Thumbin' through another spread
Huh

Thumbin' through another spread
Pumpin' strength, hundred reps
Come in twos, nothin' less
Come in two, 100 Geecs
Hundred blues, nothin' kept
Nothin' new, up and blessed
Want me screwed, stuck, and stressed
Can't lose, sudden death

Thunder boom, my summer red
Cut me loose and cut a check
Introduce you to the jwett
Shit to prove and to protect
If you miss a move, you'll lose a step
Hit us, news'll do the rest
We're movin' through, through the trench
Through the winter and the dread
Frugal spender, but I spend
All that tension, no intent
No protection, all that vex
On the net, all that press
Praise suppression, all that debt
Shruggin' through it, buggin' less
Runnin' shoes on they neck
Plummet through it, up in nets
Comin' through, my jumper wet

Thumbin' through another spread
Pumpin' strength, hundred reps
Come in twos, nothin' less
Come in two, 100 Geecs
Hundred blues, nothin' kept
Nothin' new, up and blessed
Want me screwed, stuck, and stressed
Can't lose, sudden death

Thumbin' through another spr-
Pumpin' strength, hundred-
Come in twos, nothin'-
Come in two, 100-
Hundred blues-
Nothin' new-
