

## For You

MIKE

When your heart isn't even, it's hard to believe in  
When God isn't speaking, mind in the deep end, we was believing  
Mind doesn't sleep quick, my conscience is grieving, feel like  
time is beefing  
Knowledge we seeking, silently creeping, product of sleepless  
Mind has been sinking, botanic I'm chiefing, wallet decreasing  
Kinda been reaching, now I can see it, this time defeating  
Fight with my demons, signs of achievement, trying to be with  
When heart isn't even, it's hard to believe in  
God isn't speaking, even
