

## Green River

MIKE

I just wanna medicate  
17 and bet he make, 365 a steady pace  
Forget I'm living everyday, they try to get a man erased  
Try to get the pennies raised, if not your rep disintegrates  
But can't relate to standard ways I'm searching for where answer lays  
I serve important stanzas mane, standing ovation, animals racing for what they thought and taught where the top, they damage yo' patience

Ion even be knowing how I'm feeling, these shows like gold to my fillings  
If I hit the road broke I'm stealing, that's a fact  
King got a tool if he pull it out his bag that's a problem, knock 'em  
He leave 'em leaking like the trash  
I be creepin' on the ave, preein' for a lick  
You be preein' for some ass  
You was sleepin on the kid I soon be chiefin' like my dad  
Blood seapin' through the vans  
I was headed for my future  
I was walkin' from my past, that's a journey  
My nigga Baird burning up a pack of that earthly  
I know they turned around collapsed when they heard me  
I know they turned around collapsed when they...
