

## Iz u Stupid

MIKE

Ayy ayy, hey  
Hey, hey  
Is u stupid?

Is U stupid, it's not an exchange  
a lot for a day  
I'ma prove that he not what he say  
But the truth is I had to escape  
I just knew it ain't again  
For the loot I'm a magnet, it came  
Niggas choosin the size of their chain  
When they do yeah it add to the pain  
Said it's cool, they was bashing my name  
Lace my shoes and I'm smacking the paint  
I produce, as a rapper acclaimed  
Even few making cash from the fame  
Tried to snoop and got trapped in the cage  
I refuse 'cause I had it with snakes  
I'm on rooms and I'm chatting away  
Don't confuse, if it's static it's straight  
There was food, you ain't ask if I ate  
Bigger moves now you matching the plate  
It was cruel what had happened to fate  
Where was you when I sat in the rain?  
Is u stupid or lacking a brain?  
Uh, uhh

what anger forgave  
But it's true if it happened again  
Is u stupid? Uh  
Is u stupid or lacking a brain?  
Uh anger forgive  
But it's true is happened again  
Uh
