Uh, yeah, yeah, yeah  
Uh, yeah, yeah  
Uh, uh, uh, yeah

If you got played before  
The sun is shining rays of more concerning issues  
Run around the maze, explore, like let it fix you  
Jump up out the ways I no longer can fit you (Uh, uh)  
Physically major, boy (Yeah)  
No dumbing down my pay before I let it hit you (Hit you)  
For my mom, bouquet of orchids 'cause I miss you (Miss you)  
I miss you (miss you, miss you, miss you)  
And for my grandma, I'm a militant (Militant)  
For the A&R, I'm a ill percent (I'm a ill percent)  
And I'm still in the fence of my own product (Own product)  
My gift comes with time, not robotic (Not robotic)  
I was born with it, I was going through, forget it  
Why I did it? My vision came to life, my mission (My mission)  
It's far from the air, nonstop for the plan

I won't go back, but I'm wishing you well (I'm wishing you well)  
I'm wishing you well (Wishing you well)  
I'm wishing you well (I'm wishing you well)  
I'm wishing you well (For my mom, bouquet of orchids 'cause I)

Lost touch  
All the sharing, feeling like I ball up  
Find depression and, nigga saw butt  
Now I'm speaking, can't keep my jaw shut (Uh)  
Law sucks, so we dodge 'em one time  
Rest in peace to grandmother one time  
City streets and my mother's sunshine  
Enough whining, never stop  
'Cause a nigga stuck trying, fetishizing  
My life and my color, I'm a giant  
So regardless how I feel, I'm vibrant  
Don't tie me to your will, you'll triumph  
By the line, tell momma I'm hiding  
All the life in the midst of the silent  
I throw my dice 'cause I'm in it, I'm grinding  
I throw my dice 'cause I'm in it, I'm  
Every minute to the finish line  
Little bitter what you get inside  
And my heart, it be feeling like the renaissance  
Another part getting put together every now, now

Know the words that I keep my power in  
Another word that I keep this power in  
Hit the dirt, but I keep on powering  
Know my words that I keep my power and  
Another word that I keep this power in  
Hit the dirt, but I keep on powering  
Know my words

Know the words I keep the power in  
Another word that I keep this power in  
Hit the dirt, but I keep on powering

Hit the dirt, I know my words  
I'm saying stay safe out here, bruh  
Yeah
