MIKE

You  
I'm high, I'm high  
I'm high, blood leak from nose  
And I, and I  
And I just wanna know  
And I, and I  
And I just wanna know  
My skies, my skies  
My skies, they reach for you  
I'm high, I'm high  
I'm high, blood leak from nose  
And I, and I  
And I just wanna-

Three thou' on the Bronx park east  
Sheep howl when the sun start peak  
Flee down on the one yard leap  
Yoruba and my son Yardy  
Deep down on my corpse I'll breath  
Sunlight and of course I'll see  
Every course that the Lord might bring  
Write that and record that ting  
White girl? Don't recall that ting  
Night yells from a chord it sings  
And I, and I just want to know  
My skies, my skies, my skies, they reach for you  
I'm high, I'm high, I'm high  
Blood leak from nose, and I, and I

And I just wanna know  
And I, and I  
And I just wanna know  
My skies, my skies  
My skies, they reach for you  
I'm high, I'm high  
I'm high, blood leak from nose  
And I, and I  
And I just-

Straight off of Burke  
Put my face in the dirt and I'm laced with the work  
One with the world, steady chasing the earth  
Chasing this bread, I been pacing for purse  
So amazing it hurts, I hated Penn station  
Then I figured that they hated me first  
They disgusted, my black face is like rubbish  
These Xans is black plaque in ya stomach  
How the fuck you backtrace to nothing?  
But fuck it, these niggas lack taste in they substance  
And I, and I, and I

And I just wanna know  
My skies, my skies  
My skies, they reach for you  
I'm high, I'm high  
I'm high, blood leak from nose  
And I, and I

And I just wanna know

And I

And I just wanna-
