I'm skipping school  
School to be a prophet

Running thru these objects  
But fuck it, can't shit stop me  
Cause it's young MIKE, I be hung like teriyaki  
And that's the chicken, but you know she still call me coffee  
Niggas know I be boxing like a rocky  
And the box with

And Arizona  
That's just a donut  
With Mikes  
Can't spit and MIKE can't condone ya  
Fuck it I be rappin' till my ass off  
I just can't do on the floor like the asphalt  
Watch the fuckin' asphalt  
And watch the cash fall  
Until I clock in  
But fuck it I be happy when I spit  
Ya bars is really crappy when you went  
Happy for the bread  
You see the mask beneath the brim

Fuck it I be rappin'
