

## sleepwalk

MIKE

Knowledge

If it is handled properly, it is always new

Ayy, ayy, ayy, ayy, ayy

Uh, uh, uh, uh, uh

Hey, ayy

Smoking many spliffs 'cause I can't sleep at night

Running through these kicks, I'm on my reaper's time, uh

Burning, I just think about the sweeter times

Make them prices high, even when that fee declined

Miss the reason, my, swear the city need a guide

Out here, I don't need to hide, ayy, if I need to slide

'Bout it, can't put me inside, if you need a slice

Expensive and the cheaper kind, ayy, need my peace of mind

Out here like it's Vietnam, me oh, me oh my

Make them dreams alive, thought you saw me

Where it probably wasn't seed of mine, ayy, now the seed I find

Put me out this preaching grind, ayy, mmh, nah

Ayy, ayy, stay asleep often, sleepwalking

Days where I was off it, really tryna ball quick

Y'all just tryna talk shit, sleep often

Sleepwalking, sleepwalk, walk, walk, walk, walk

Stay asleep often, sleepwalking

Days where I was off it, really tryna ball quick

Y'all just tryna talk shit, sleep often

Sleepwalking, sleepwalk, walk, walk, walk, walk

Walk, walk, walk, walk

Stay asleep often, sleepwalking

I was off it, just tryna ball quick

Y'all just tryna talk shit, sleep often

Sleepwalking, sleepwalk, walk
