

## Yin-Yang

MIKE

You stealin' my flow, shit on my name, you wanna be gang or an opp?  
(Nocturnal)

You stealin' my flow, shit on my name you wanna be gang or an opp?

I'm in still in the O, I'm pitchin' with Tay, how we could've f lang on the swquad

I'm still in that coat, lookin' like Jay, maybe I should be bangin' the Roc

I was still on that road, I'm hittin' that pavement no matter how flagrant it got

I'm a passenger, baby, a bop

Know my man got K, keep it cocked

We be chillin', but hoes know my name, nigga, that shit be sayin' a lot

She was itchin' that dough and I gave her a K, she ain't know she was savin' a thot

When I get in that zone, I just get in and take, now I could get paid for a crop

I ain't a pole, you get it my way, you know I wish a hater good bye

I couldn't post it and never display, yeah, I could be payin' the tribe

The day that I go, the day that I shake, nigga that'll be the day that I die

I couldn't wait on the go, you playing your games, I be chasin' the guap

I couldn't fake it no more, that hatin' and fakin' be makin' it hot

I ain't in Vegas, but loadin', I'm in that base with the bae and a plot

I be so faded and focused, I still be pacin' my way to the top  
I know they hate how it's goin', try to delay, they pray that it stop

You stealin' my flow, shit on my name, you wanna be gang or an opp?

You hittin' the road and put in the pain, you wanna be gang or not?

I'm sippin' with bro, I'm hittin' the drank, he can't hang, he not

You stealin' my flow, shit on my name you wanna be gang or an opp?

You hittin' the road and put in the pain, you wanna be gang or not?

I'm sippin' with bro, I'm hittin' the drank, he can't hang, he not
