

# Stay

Mikky Ekko

All along it was a fever  
A cold sweat hot-headed believer  
I threw my hands in the air I said show me something  
She said, if you dare come a little closer

Round and around and around and around we go  
Ohh now tell me now tell me now tell me now  
You know

Not really sure how to feel about it  
Something in the way you move  
Makes me feel like I can't live without you  
It takes me all the way  
I want you to stay

It's not much of a life you're living  
It's not just something you take, it's given  
Round and around and around and around we go  
Ohh now tell me now tell me now tell me now  
You know

Not really sure how to feel about it  
Something in the way you move  
Makes me feel like I can't live without you  
It takes me all the way  
I want you to stay

Ohh the reason I hold on  
Ohh is I need this hole gone  
Funny you're the broken one  
But I'm the only one who needed saving  
'Cause when you never see the lights  
It's hard to know which one of us is caving

Not really sure how to feel about it  
Something in the way you move  
Makes me feel like I can't live without you  
It takes me all the way  
I want you to stay  
Stay  
I want you to stay  
Ohh
