

# Boys Don't Cry

Mikolas Josef

So long  
Times up  
You told me I would be alright  
'Cause you think  
Boys don't cry (Boys don't cry)  
So I'll keep  
Waiting  
For the world to say it  
Until then  
Sure, I'm fine (Sure, I'm fine)

So if you're gonna say I'm bulletproof then  
Come and break my heart  
You think I'm cold but  
I might fall apart  
Yeah, you always said that  
Boys don't cry  
So I'm not crying  
Learned to hide the tears inside me  
Come and break my heart

Is it strange  
On bad nights  
I gotta make it up to you  
But sometimes I want flowers too (Flowers too)  
You tell me  
To man up  
When I finally speak my mind  
So now I never even I try

So if you're gonna say I'm bulletproof then  
Come and break my heart  
Yeah, you think I'm cold but  
I might fall apart  
You always said that  
Boys don't cry  
So I'm not crying  
Learned to hide the tears inside me  
Come and break my heart

O-o-oh, o-oh  
Yeah, boys don't cry  
I know (Yeah, I know)  
Yeah, boys don't cry  
Boys don't cry  
So I'm not crying  
Learned to hide the tears inside me  
Come and break my heart  
Yeah, boys don't cry  
I know  
Boys don't cry  
I know  
Boys don't cry

Boys don't cry  
So I'm not crying  
Learned to hide the tears inside me

Come and break my heart  
Boys don't cry
