Askin' me what I'm doin' out on the road  
You keep thinkin' I'm f\*ckin' with all the bros

You asked for, but don't like what you hear  
Say you'd rather be anywhere but here  
Now you like well why the f\*ck am I here?  
Why did I ask you to be real?  
Now you mad as hell, oh well  
Guess I'm too real

[Chorus]  
'Cause I'm all twisted, I'm mad as hell  
'Cause I did it right with the wrong nigga  
I'm too real  
'Cause I'm all twisted, I'm mad as hell  
'Cause I did it right with the wrong nigga  
Oh no  
Oh no, no, no, no

[Hook]  
They know I keep it 100

[Verse 2]  
You know I want you to keep it real  
Don't just tell me the shit that I wanna hear  
If you can't do it, I know there's someone who will  
Just be honest, I know that you outta here  
I don't get it, what's going on? What's wrong with you?  
Tell me, is it just you or is it like all niggas?  
What is up with my taste with all of these fraud niggas  
I'm all twisted, I'm mad as hell  
'Cause I did it right with the wrong nigga  
I'm too real  
'Cause I'm all twisted, I'm mad as hell  
'Cause I did it right with the wrong nigga  
I'm too real  
'Cause I'm all twisted, I'm mad as hell  
'Cause I did it right with the wrong nigga
