

# All I Get For Christmas

Mila J

I could've wrote a Christmas list  
Full of Christmas gifts  
But this Christmas is different  
I've never spent a Christmas with  
Somebody like this  
I don't know what it is

But I feel like I have it all, after all  
Can't think of nothing 'cause I already have it all  
And I wouldn't be mad at all 'cause after all  
I've been through

If all I get for Christmas is you  
(All I get for Christmas is you)  
With nothin' on the side  
(I'll be fine if it's just you) just you  
(All I get for Christmas is you)  
I think I would be just fine  
If all I get for Christmas is you  
(All I get for Christmas is you)  
With nothin' on the side  
(I'll be fine if it's just you) no, baby, just you  
(All I get for Christmas is you)  
I think I will be just fine  
If all I get for Christmas is you  
Oh-whoa-oh

I was shopping all around the town  
I won't hold you up  
This year is going down, something different  
I could show you what I got you right now  
And ruin the surprise  
Kinda like you already did with mine

'Cause it feels like I have it all, after all  
Can't think of nothing 'cause I already have it all  
And I wouldn't be mad at all 'cause after all  
I've been through

If all I get for Christmas is you  
(All I get for Christmas is you)  
With nothin' on the side  
(I'll be fine if it's just you) just you  
(All I get for Christmas is you)  
I think I would be just fine  
If all I get for Christmas is you  
(All I get for Christmas is you)  
With nothin' on the side  
(I'll be fine if it's just you) no, baby, just you  
(All I get for Christmas is you)  
I think I will be just fine  
If all I get for Christmas is you  
You...
