

# BODY

Mila J

Boy, you, you know I gotta  
We, both, know, we wanna  
Got you excited  
Rubbin' all on my body  
While I'm rubbin' all on your body  
I know you feel it  
I know you feel it too

Baby if you give it to me  
I'll do you right  
I'll do you right  
I'll do you right  
Baby if you give it to me  
I'll do you right  
I'll do you right  
I'll do you right  
Soaking, dripping, licking all over me  
Loving, stroking, kissing all over me  
Baby if you'll give it to me  
I'll do you right  
I'll do you right  
I'll do you right

We can keep our clothes off  
Or we can go 1500 rounds and  
Just make it quick  
'Cause I know we got something to do  
'Cause I know we got something to do  
I know that you, won't be alone  
And I really got you horny, horny-h-h-h  
I want you to

Take my body down  
Take my body down  
Do it, do it now  
Do it, do it now  
Soaking, dripping, licking all over me  
Loving, stroking, kissing all over me  
I know you feel it  
I know you feel it too  
(Take my body down)  
Baby if you

Baby if you give it to me  
I'll do you right  
I'll do you right  
I'll do you right  
Baby if you give it to me  
I'll do you right  
I'll do you right  
I'll do you right  
Soaking, dripping, licking all over me  
Loving, stroking, kissing all over me  
Baby if you'll give it to me  
I'll do you right  
I'll do you right  
I'll do you right

Take my body down  
Take my body down  
Do it, do it now  
Do it, do it now  
Take my body down

Do it, do it now  
Do it, do it now  
(I'll do you right)
