

## Congrats

Mila J

I almost never do romance  
I tried it 99 times  
But it never really stood one chance  
I'd rather chill with you like one of the homies  
I always hated holding hands  
With all that money you be touching  
What would make you think I'd hold your hand  
I'd rather play games with you like one of the homies

So pass that controller  
Who are you gonna pick?  
If I say the Lakers  
I know that you'll say the Knicks  
4 minute quarters  
8 minutes halves

Congratulations  
I beat your ass  
If you like a girl who  
Pumps her own gas  
Then congratulations  
You met your match

I almost never cuddle up  
I mean if we just fuck then I mean we just fuck  
But I don't like doing too much  
I'd rather chill with you like one of the homies  
I don't say bye 'fore I hang up  
I mean if we just talked then that mean we just talked  
I really don't like doing too much  
I'd rather smoke with you like one of the homies

So pass me the roll up  
'Cause it's your turn to crush  
I know if I pick sativa  
We gon' smoke indica  
50 dollar quarters  
10 off for the half

Congratulations  
I could move packs  
If you like a girl who  
Pumps her own gas  
Congratulations  
You met your match
