

Dirt

Mila J

Yeah, yeah, ugh
Mila J
Yeah

Last night I rolled up, yeah
Pulled up like hol' up, yeah
They be doing dirt, they be doing dirt, yeah, yeah
They be doing dirt, they being doing dirt
Pull up aside ya, yeah
Give you that cider, yeah
'Cause they be doing dirt, they be doing dirt, yeah, yeah
They be doing dirt

They be doing dirt, they be doing dirt
Give 'em all your love they can make it hurt
Trips overseas drinking Hennesy, yep
He know what I like and he give to me, yeah, yeah
Give me good vibes and that energy, yeah, yeah
Used to give me goosebumps
When I see you
Them niggas wanna be you
Too bad they ain't seeing straight through you like I do

Coming with the bands yo
With a pocket full of fans from the gram yo
Yeah even all your niggas wanna shame you
You lost a down bitch and they blame you
I was with it, with, with, with it, with it all
You ain't gimme, gimme, gimme, gimme, gimme nothing
Now I'm on my...
I'm on my way, way yeah

Last night I rolled up, yeah
Pulled up like hol' up, yeah
They be doing dirt, they be doing dirt, yeah, yeah
They be doing dirt, they being doing dirt
Pull up aside ya, yeah
Give you that cider, yeah
'Cause they be doing dirt, they be doing dirt, yeah, yeah
They be doing dirt

They be doing dirt, they be doing dirt
Wonder why these bitches always on alert
Now I'm on my new shit, found a new one
I'm on my new shit, that's how I feel
Nigga fuck you
Momma gotta live too
I'm better, better, better, bet without you
Niggas still wanna be you
Too bad they ain't seeing straight through you like I do

Coming with the bands yo
With a pocket full of fans from the gram yo
Yeah even all your niggas wanna shame you
You lost a down bitch and they blame you
I was with it, with, with, with it, with it all
You ain't gimme, gimme, gimme, gimme, gimme nothing

Now I'm on my...

I'm on my way, way yeah

Last night I rolled up, yeah

Pulled up like hol' up, yeah

They be doing dirt, they be doing dirt, yeah, yeah
