

Down

Mila J

So we did, yeah we did, yeah we did when we roll up
Got the keys, and the green, bit of backwood we can roll up
Time is waiting, make sure you know when to zone out
I ain't worry 'bout nobody
Sittin' with the M on dash
Tossin' in the back
Gettin' these rims metillac
[?] no brakes
So we did, yeah we did, yeah we did when we roll up

She look like she came from Japan
She bad and she don't need a man
She crazy, she sexy, she bad
Yeah, she crazy, she sexy, she
So we did, yeah we did, yeah we did when we roll up

I wanna be down with what you're going through
I wanna be down, I wanna be down with you
I wanna be down

So we did, yeah we did, yeah we did when we roll up
Got the keys, and the green, bit of backwood we can roll up
Time is waiting, make sure you know when to zone out
I ain't worry 'bout nobody
Whip it, fast
Pedal, gas
Hol' up, bring it, back
Bring it, back
So we did, yeah we did, yeah we did when we roll up

She look like she came from Japan
She bad and she don't need a man
She crazy, she sexy, she bad
Yeah, she crazy, she sexy, she
So we did, yeah we did, yeah we did when we roll up

I wanna be down with what you're going through
I wanna be down, I wanna be down with you
I wanna be down with what you're going through
I wanna be down, I wanna be down with you
I wanna be down

Whip it, fast, pedal, gas
Hol' up, bring it, back, bring it, back
Whip it, fast, pedal, gas
Hol' up, bring it, back, bring it, back
