

Everydays 420

Mila J

420

I Got it

I Got it

Yeah, I'm off that Indo feeling waaavy

I'm just a product of what this Kush made me

My bravado is Gelato so amazing

Got all my bitches in here with me and we are blazing

Stronger than gasoline yeah

Hit like promethazine ooh

You smoking with the queen yeah

Booty look right in them jeans yeah

He want a spicy bitch

He got a like my spill

Blunts in the Air crack a window

This pussy dope for the cook up oh

Yeah we taking a flight roll up that Jets Fuel

And change my attitude like that dick do

Fuck bitch I'm high as fuck like a satellite

I got that Mi La La to satisfy your appetite

Every day 420 to me

Every day 420 to me

Every day 420 to me

Light us up let's smoke this weed

We got whatever you need

Every day 420 to me

We bout to blast off

420

420

420

Light your lighters up

420

420

420

I got the best in LA

I got that Zaaah

I got Mad lotto for days

I get it all by the pound

I wear the crown

You know my shit louder than loud

Straight from my house in the hills

Chill with ah gangster and kick up your heels

She wanna Fuck Smoke Repeat

Wake up

Fuck Smoke Repeat

She blowing my bong in the 64

Smoke till we fog up the windows

California Kush Paradise

Come check me I got what you like

Roll a big Spliff Mek we fuck tonight

I got some thing that will change your life

Cause Mon a interplanetary herbalist

Mek you wanna drop down

And give the Earth a kiss

Pussy just ah Puuur like Eartha Kit

And it's worth it

You never been on noThirst shit

So pop the top and burp it
She love the Ganja
And I got it for her
Wettest of the West blowing Big Clouds
420 bitch
We Nuh Come Down
We bout to blast off
420
420
420
Light your lighters up
420
420
420
Every day 420 to me
Every day 420 to me
Every day 420 to me
Light us up let's smoke this weed
We got whatever you need
Every day 420 to me
Light us up let's smoke this weed
We got whatever you need
Every day 420 to me
