Came to threw shit down
Ain't did this in a while
Said I feel like I just can't lose or wish came through right now yeah yeah
Now I feel like a boss
Yeah I feel like a boss
Said I feel like I just can't lose or wish came through right now yeah yeah
I know just what we gon' do (Get lit)
Get lit that's what we gon' do

It's outta control
It's outta control
It's outta control
It's outta control

Feel like I'm on something new tonight, yeah
Ain't no telling what I do tonight
Feel like I'm on something new tonight, yeah
Whatever it is I gotta do right
