

Missing You

Mila J

Not gonna lie like I ain't think about you all night
Not gonna front like you still ain't the only one I call mine
Ain't gon' just fake it like it's easy to replace ya 'cause I'm
having a hard time
We're breaking up
And I don't know 'bout you
It don't matter what I do
It all comes back to missing you

Oh, oh, oh
I'm missing you
Oh, oh, oh
I miss you
Oh, oh, oh
I'm missing you
Oh, oh, oh
I miss you

Not gonna play like I say "I love you" always
Not gonna move like I was always good to you, but some days I m
ade you smile
You know what's next girl I promise I won't forget
I fell like dominos for you
But we're breaking up
And I don't know 'bout you
It don't matter what I do
It all comes back to missing you

Oh, oh, oh
I'm missing you
Oh, oh, oh
I miss you
Oh, oh, oh
I'm missing you
Oh, oh, oh
I miss you
