

Move

Mila J

Move, move, move, move
Tryna kill my groove
Tryna keep my cool
Tryna take that too
Move, move, move, move
Move, move, move, move
Tryna keep my cool
Tryna take that too
Move, move
Move, move, move, move
Move, move, move, move
Move, move
Move, move, move, move
Move, move, move, move

Move, move, move, move
What me get loose
Caught reason for the last time
Kyrie Irves with the moves
[?]
Mila, Mila got the juice
Mila, Mila got the juice
Chris [?]
Move-move, move-move
Going in with the moves on
Droptop with the rug on
The digital with the cruise on
Oh, skrr skrr on 'em
Aye, why me put that work work on 'em

Ba-Ba-Ba-Ballin'
Ballin' like Jordan
Move, move, move, move
Move, move, move, move
Tryna take my place
No, no, no way
Move, move, move, move
Move, move, move, move

Move, move, move, move
Tryna kill my groove
Tryna keep my cool
Tryna take that too
Move, move, move, move
Move, move, move, move
Tryna keep my cool
Tryna take that too
Move, move
Move, move, move, move
Move, move, move, move
Move, move
Move, move, move, move
Move, move, move, move

Move, move, move, move
Tryna get past you
Move, move, move, move

Bad vibes on you
Bad vibes on you
Lookin' eyes on you
That way, that way, that way on you

Ba-Ba-Ba-Ballin'
Ballin' like Jordan
Move, move, move, move
Move, move, move, move
Tryna take my place
No, no, no way
Move, move, move, move
Move, move, move, move

Move, move, move, move
Tryna kill my groove
Tryna keep my cool
Tryna take that too
Move, move, move, move
Move, move, move, move
Tryna keep my cool
Tryna take that too
Move, move
Move, move, move, move
Move, move, move, move
Move, move
Move, move, move, move
Move, move, move, move
