

MY ONLY HOPES

Mila J

We lost all fire
We're out of wood
'Cause if you would've told me that you love me then we would've been all good
Now I need a new lighter
'Cause this one's out of propane
Now that I'm on my own it's gonna take a [?] to cost my pain

Now I don't know what to do no more, no, no, no
I don't know what to do no more, no no
Keep telling you that we're through no more, no, no
And I tell you that we through, that means no more
Since I never say never, I'll just say
"I hope you find somebody who loves you like I, still might love you"

These are my only hopes
These are my only hopes
These are my only hopes
These are my only hopes
(Hopes, hopes)
(Hopes, hopes)

You had your chances
There's no more left
'Cause if you never [?] we'd be having sex
Know I don't what romance is
It's just regret
If it was ever romance we had no chance
Think we better see what's left

Now I don't know what to do no more, no, no, no
I don't know what to do no more, no no
Keep telling you that we're through no more, no, no
And I tell you that we through, that means no more
Since I never say never, I'll just say
"I hope you find somebody who loves you like I, still might love you"

These are my only hopes
These are my only hopes
These are my only hopes
These are my only hopes
(Hopes, hopes)
(Hopes, hopes)
