

Pump

Mila J

Oh you got that gym body
You must like my song "No Brakes"
That's enough for you, here's one for me
I see you lookin' at my cake

That's how I work, in dedication
I'll be up all night almost waitin'
To wake up again, hit the gym, hit the gym
'Cause I like [?]
I just wanna see what's all this
When I get to see him
It's a 2 for 1 win
And we like to win
That's why we be goin' in
I'm in love wit the trainer
You sweatin', I'm sweatin', we sweatin'
I'm in love wit the trainer
You got me progressin'
Hol' up that ain't my song

Pump fakin' is for chumps
I just wanna feel the, feel the
Feel the pump
Complainin' is for punks
I just wanna feel the, feel the
Feel the pump
I bet you I don't run
I just wanna feel the, feel the
Feel the pump
I love it when you pump
I just wanna feel the, feel the
Feel the pump

Boy you look better with me
I'll break it down if you don't understand
'Cause when you fall in love me
I'll make you into a better man, oh yeah

That's how I work, in dedication
I'll be up all night almost waitin'
To wake up again, hit the gym, hit the gym
'Cause I like [?]
I just wanna see what's all this
When I get to see him
It's a 2 for 1 win
And we like to win
That's why we be goin' in
I'm in love wit the trainer
You sweatin', I'm sweatin', we sweatin'
I'm in love wit the trainer
You got me progressin'
Hol' up that ain't my song

Pump fakin' is for chumps
I just wanna feel the, feel the
Feel the pump
Complainin' is for punks

I just wanna feel the, feel the
Feel the pump
I bet you I don't run
I just wanna feel the, feel the
Feel the pump
I love it when you pump
I just wanna feel the, feel the
Feel the pump
