

The Countdown

Happy New Year
I feel like having a good time
So what are we gonna do here?
I just wanna know that you're mine

Before they go five, four, three, two, one
I'm tryna know if you're the one
(Are you the one? Are you the one?)
'Cause baby I need to know before the time comes
And when they go five, four, three, two, one
I hope I see you there
'Cause if I see you there

It's a Happy New Year
Happy New Year
Long as I got you here
We gon' have a Happy New Year
Happy New Year, ooh-ooh

Happy New Year
How much of your time could I spend?
I'm tryna get close, do the most
I want you to know I want you near
I'm tryna get next to you again
Before the party ends

Before they go five, four, three, two, one
I'm tryna know if you're the one
(Are you the one? Are you the one?)
'Cause baby I need to know before the time comes
And when they go five, four, three, two, one
I hope I see you there
'Cause if I see you there

It's a Happy New Year
Happy New Year
Long as I got you here
We gon' have a Happy New Year
Happy New Year, ooh-ooh
