Yesterday was

Yesterday, yester  
Yesterday was hard for me  
Yesterday was hard for me, yeah  
Ain't nothin' worse than being broken hearted  
Swear shit done peeped before I started

You got the right one, boy you did that  
Nigga fuck niggas, supposed to  
Now I'm tryna get over you  
Over you babe, over you baby  
You really play, yeah, you really play play me

Shawty came in and she caught me redhanded  
Creepin' with the girl next door Picture this, we were both butt naked  
Banging on the bathroom floor How could I forget that I had given her an extra key?  
All this time she was standing there  
She never took her eyes off me

I, had a better day  
(Better, better)  
I feel the pain fade away  
(Fade away)  
I thought I was for lose my way, yeah  
I'm on my way to brighter days, yeah  
Don't hold on to the pain, you gotta let it go  
You break off them chains, yeah  
That's a miracle, a miracle yeah  
Your karmas are dedical, identical  
If it ain't you it's a miracle

Shawty came in and she caught me redhanded  
Creepin' with the girl next door Picture this, we were both butt naked  
Banging on the bathroom floor How could I forget that I had given her an extra key?  
All this time she was standing there  
She never took her eyes off me  
Me-e, ooh yeah yeah
