

# Devil Devil

MILCK

Devil, Devil  
Clever Devil, Devil  
How quickly they do sell their souls  
For the feast and the promise of gold  
But devil that won't be me

Devil, Devil (mmm)  
Bones of metal metal (mmm)  
You torture saints with a single glance  
Make them think they ever stood a chance

Do not try me Devil, Devil  
Cannot buy me Devil, Devil  
You won't make a fool of me, oh no  
What makes you so special, special  
To think I would ever settle  
For that devious dance between you and me Devil, Devil

Rebel, rebel  
Call me a rebel, rebel  
I walk the plank, not a tear in my eye  
I won't go down, your blushing bride  
Under the water, I'll be sharpening my knife

Do not try me Devil, Devil  
Cannot buy me Devil, devil  
You won't make a fool of me, oh no  
What makes you so special, special  
To think I would ever settle  
For that devious dance between you and me Devil, Devil

You take the shape of  
Everything that I'm drawn to  
You take the shape of  
Everything that I'm drawn to  
But your eyes  
Are dead and red, red as rust

Do not try me Devil, Devil  
Cannot buy me Devil, Devil  
You won't make a fool of me, oh no  
What makes you so special, special  
To think I would ever settle  
For that devious dance between me and The Devil, Devil

(Hmm) Devil, Devil
