

Married in the Backyard

MILCK

Let's get married in the backyard
On a sunny afternoon
Friends crossing state lines to see us
Saying I do

When life pulls us in two directions
You're missing me, I'm missing you
I daydream about the backyard
Where we'll say I do

I do
I do

I'll keep waiting in the backyard
Toss a wish into the breeze
That soon I'll see you walking towards me
And it won't be just a dream

You don't even need to ask
I'll tell you
We know each other's past but
All we have is now

So let's get married in the backyard
On a sunny afternoon
I wrote you this song to say I'm ready
To say I do

I do
I do
I do
