MILCK

Is it getting better?  
Or do you feel the same?  
Will it make it easier on your now?  
You got someone to blame? You say

One love, one life  
When it's [?] in the night  
One love, we get to share it  
[?], baby, if you don't care for it

Have you come here for forgiveness?  
Maybe come to erase the debt?  
Have you come here to play Jesus?  
To the lepers in your head

Well, it's too late tonight  
To drive the past out into the light  
We're one but we're not the same  
We get to carry each other, carry each other

You say that love is a temple, love how you love  
Love is a temple, love how you love  
You ask me to answer but then you make me crawl  
And I can't be holding on  
To what you got when all you've got is heart

One love, one love, one life  
You've gotta do what you should  
One life with each other  
Sisters, brothers

On life but we're not the same  
We get to carry each other, carry each other  
One love

One life  
We get to carry each other
