

# The Machine

MILCK

Don't worry  
About me  
Broadcast me  
Flash my teeth  
I can be  
What you need  
They call me  
The machine  
The machine  
The machine  
Mmm

I don't need to rest  
Go head burn my bed  
I'll sleep when I'm dead  
Built to bring my best  
Fighting off the vultures  
Doing what no one will  
Run towards the commotion  
To bring on home the kill, kill

Power me up  
I'll be the one  
Yea the job, yea the job, must get it done  
Power me up  
Never enough  
So I'll run and run and run  
I'll keep on running  
(Ooh ooh, keep on running)

So good at winning battles  
Forgot there could be peace  
No limits, I've gone past 'em  
They call me the machine  
Pushing past the instinct  
Pushing past the ache  
Whatever it takes

Power me up  
I'll be the one  
Yea the job, yea the job, must get it done  
Power me up  
Never enough  
So I'll run and run and run  
I'll keep on running (Ooh ooh)  
(Power me up, power me up)  
I'll keep on running (Ooh ooh)

Hit me with the panic and the voltage  
You can't sleep when you're circling with the vultures  
Hit me with the panic and the voltage  
You can't sleep when you're circling with the vultures

Circling with the vultures  
Danger and the voltage  
Circling with the-

Power me up  
I'll be the one  
Yea the job, yea the job, must get it done  
Power me up  
Never enough  
Yea the job, yea the job, must get it done  
Power me up  
Never enough  
So I'll run and run and run  
I'll keep on running

Will it ever be enough (will it ever be enough)  
Will it ever be enough (will it ever be enough)  
Will it ever be enough (will it ever be enough)  
I'll keep on running  
(Will it ever be enough)  
(Will it ever be enough)
