

# This Is Not The End

MILCK

The wolves are out  
Their teeth are on my tail  
The secret's out  
And blood is on the trail  
And I don't care

This is not the end  
This is not the end  
Trouble will come, trouble will go  
This is not the end

The birds are circling, messing with my head  
Oh, but I'm not running  
I'm not running  
Though their eyes are turning red

This is not the end  
This is not the end  
Trouble will come, trouble will go  
This is not the end

I will look them in the eye, will not be the beast that hides  
I will hunt my hunters down, take back my broken crown  
I will look them in the eye, will not be the beast that hides  
I will hunt my hunters down

This is not the end  
Trouble will not take me, yeah  
It's not the end (this is not the end)  
It's not over yet  
I will fight for it (this is not the end)  
'Til my dying breath  
It's not the end (this is not the end)  
It's not over yet  
I will fight for it (this is not the end)  
'Til my dying breath

Trouble will come, trouble will go  
This is not the end
