

## Elegy

Mild High Club

Maybe time  
Takes life  
But listen, it's all right  
In our time, we'll find  
Some winning to get try  
It might  
Be strange, but  
Scenes, scenes  
I'm begging you on my knees  
Of love  
Scenes, scenes  
I wanna be in your dreams  
That's all
