

Kokopelli

Mild High Club

I'm the Kokopelli in the cave
When I'm in the mood I like to play
Bend a couple rules and misbehave
Welcome to my twisted cabaret

Where music touches me
When you're choosing
Keep shuffling
Because tune age beats suffering

'Cause music touches me
When you choose it
Keep shuffling
But don't lose it

Music touches me
When you're choosing
Keep shuffling
Because tune age beats suffering
