

Colourise

Mild Orange

Count on light
Count on love
But don't always believe
All that you've seen

Colourise
Colourise

Trust the waves
And where you'll go
'Cause you never know
What it may hold

And if you never try
You'll never grow
'Cause you never know
What you don't know

Colourise
Colourise
Colourise
Colourise
