

## Down By The River

Mild Orange

Down by the river  
I lay sculptures for you  
For you it doesn't matter  
I'll wait for you

And down by the mountainside  
I build snowmen for you  
For you it doesn't matter  
I'll wait for you

'Cause you'll be gone for a few  
And I will wait two  
For you...  
It doesn't matter how long I wait for you

And I'll wait for you  
You know its true
