

First Taste

Mild Orange

Been away for a long time
Been away, it's been eating my mind
But I'll stay
While you play

Been away for a long time
Been away, but we'll be right
It's okay
We can wait

Alright
Still free
I'm fine

Been playing games
Been having fun
Still going places
Like we have done
And when we get there
It'll be the same
I know we'll be fine
With you by my side

I'm alright
Still free
I'm fine
In love
Sit tight
You'll see
It'll come soon
