

## Now You Know

Mild Orange

Tonight I was blue  
Until I saw  
A photograph of you  
I smiled  
Shed a tear of joy  
Then I thought...

I want you to know  
You're cool  
And so I wrote this song  
To tell the whole world  
That you are my girl

Remember times outside?  
At night?  
The stars so bright  
We lay out beneath the moon  
And thought "this is it"

I want you to know  
You're cool  
And so I wrote this song  
To tell the whole world  
That you are my girl  
I'm your boy  
Out there's a big wide world  
Together we'll explore it
