

Oh Yeah

Mild Orange

Should it make sense
When it feels this good?
Not sure what it needs
Why don't you just chill out?

Oh yeah ah ah ah yeah uh

It's not understood
Why it feels this good
I'm still thinking myself
I'll just continue to chill out

Oh yeah ah ah ah yeah uh

I thought it was about nothing
But it turned into a whole bunch of something
Something that lay down deeper in my mind than I knew
And I wasn't quite sure what was present at the time
Until I reached in
And expressed how I felt

I guess what I'm saying is that I don't really know
If it feels good, it feels good - that'll always show
Speak from the heart, let it out from within
And then you can begin
To move forward

Yeah it's always on time
And it's always on time
This is my break to say
I'm pleased

Oh yeah ah ah ah yeah uh
Oh yeah ah ah ah yeah uh
Oh yeah ah ah ah yeah uh
