

## Some Feeling

Mild Orange

Hello again, remember me?  
We were making love  
But just getting started  
This is Foreplay

Yeah I've been looking for some feeling  
But you've been looking other ways  
Yeah, I've been holding for some time now  
And you've been going astray

Yeah, I've been holding on for way too long  
Trying to solve it all  
Yeah, holding on forever  
Oh, to learn

Yeah, you've been on a different wavelength  
And I just don't know what to do  
But every time I see you, yeah  
You're getting me all confused

Yeah, I've been trying this for way too long  
Trying to solve it all  
Holding on forever  
Oh, to learn

It seems some things don't change  
And I don't know why  
But every time I see you, girl  
Ooh

'Cause you've been on another wavelength  
While I've been looking for some feeling  
'Cause I've been waiting on  
Waiting for  
Waiting for you
