

## Stranger

Mild Orange

Oh I'm a stranger to you girl  
For two more minutes, yes it's true  
Then you may see that you know that you want us to be  
Oh you and me  
Looking for love what will be done?  
Oh you'll see

A stranger to you

Oh I'm a stranger to you girl  
Oh look at me, the things we'll see  
I see me with you, you know it's me  
Oh dreams are free  
Looking for love, what will be done?  
Oh it's me

A stranger to you  
Cause you know it's you  
Lucky you

Oh I'm a stranger to you girl  
Yes it's true  
Looking for love, what have we done?  
Oh it's true  
Yeah me and you  
Then you may see that you know that you want it to be
